

Consultant's Experience

Steffensen Consult ApS has executed more than 100 assignments in more than 30 countries since its establishment in 2006. Below is a list of assignments conducted in the last 9 years with one-pagers for the most recent 2020-2025 references. Additional references can be provided, as well as one-page narratives (in the standard WB format) if so required. Most of these assignments up to 2022 are conducted by Steffensen Consult as sub-contractor to Dege Consult ApS and some directly with the client e.g. the World Bank, Overseas Development Institute and others. Below is a list of core selected assignments, but a full narrative of the project description can be availed.
